

June 1st, 2010

Dear member of the Fannin County Community:

Thanks to your continued support, thousands of Fannin County Band students have enjoyed over 30 years of tremendous pride and achievement. The tradition of excellence will continue in the 2010-2011 school year.

Last year, friends and businesses of the Fannin County community contributed thousands of dollars to support the band's efforts to represent Fannin County High School, Fannin County Middle School and our community in exemplary fashion throughout the state. Our bands achieved great success because of your contribution, which is greatly appreciated. Once again, you are offered the opportunity to be a part of the Fannin County Band Program. You are assured that 100% of your contribution will directly support the band program.

On the enclosed pages, you will find details on the levels of sponsorship. The Fannin County Middle School Bands, the Fannin County High School Bands, and the Fannin County Band Booster Club are excited about the upcoming year and the challenge of continuing a long-standing tradition of superior performances.

Beneath the Friday night lights, this fall, the Fannin County High School Marching Band will once again be performing in our state of the art, football stadium. We are proud of this great facility and the means it give us for both performing and fundraising. If you were a sponsor last year, you know the many ways we had of thanking our sponsors. We are glad to announce many of these ways will continue in 2010-2011. Sponsor recognition will remain the same on our mobile sponsor board, the television monitors in the home concession stand, inside the six band concert programs, and on the band's website. We had enormous feedback on the new methods we implemented last year and the upgrades to our old favorites. As always, we strive to make our sponsors happy. This year we have two new methods of sponsor recognition. What was once an annual fundraiser for the band, the Band Booster Club is excited to bring back the community band calendar for 2011. With certain sponsorship levels, your name or business name will be appear on the 2011 calendar and be seen by hundreds of people who purchase a calendar. Also, for the first time ever, Fannin County High School will be hosting a marching band competition! The Blue Ridge Mountain Marching Festival will be October 16th, 2010. This event will draw thousands of visitors to our campus and our community. With certain sponsorship levels, your name or business name will appear in the commemorative program for this event. We are especially excited about this new endeavor.

If you have donated to the Fannin County Band Program in the past, you are aware of the positive recognition that you receive from your support. We ask that you please consider renewing or, if possible, upgrading your sponsorship for the upcoming year. If you would like to become a new sponsor, we are sure you will not be disappointed. As the band booster club is a non-profit organization, all of your donation may be tax deductible.

Please review and complete the enclosed donation form and give all you can to help the band. Please mail the completed form and your check by July 30th, 2010 to the Fannin County Band Booster Club, P.O. Box 702, Blue Ridge, Georgia 30513.

Thank you for your support! The continued commitment and dedication of our supporters continues to be our band's greatest pride and accomplishment. With your help, your band looks forward to another fantastic year in 2010-2011! We look forward to seeing you on Friday night's this fall, beneath the lights, at the Home of the Rebels.

Thanks again,

Kevin Cochran and Mike Miller
Fannin County Band Booster Club
